As envisaged in Section 51(1)(e) of PAIA, the purpose of this section is to provide requesters with sufficient guidelines and procedures to facilitate a request for access to records held by JHIR.

It is important to note that an application for access to information can be refused in the event that the application does not comply with the procedural requirements of PAIA. In addition, the successful completion and submission of an access request form does not automatically allow the requester access to the requested record.

If it is reasonably suspected that the requester has obtained access to JHIR's records through the submission of materially false or misleading information, legal proceedings may be instituted against such requester.

5.4. COMPLETION OF THE ACCESS REQUEST FORM

In order for JHIR to respond to requests in a timely manner, the Access Request Form (**Annexure A**) should be completed, taking due cognizance of the following Instructions:

- the Access Request Form must be completed in English.

Section 22 of PAIA, read together with Regulation 8 of the PAIA Regulations, provides for 2 (two) types of fees:

A **request fee**, which will be a standard fee [refer to Regulation 4 of the PAIA Regulations] and an **access fee** [refer to Regulations 5 and 7 of the PAIA Regulations], which must be calculated by taking into account reproduction costs, search and preparation time and cost, as well as postal costs where applicable. When a request is received by the Information Officer of JHIR, the Information Officer shall by notice require the requester, other than a personal requester, to pay the prescribed request fee (if any) before further processing of the request. If a search for the record is necessary and the preparation of the record for disclosure, including arrangement to make it available in the requested form, requires more than the hours prescribed in the Regulations for this purpose, the Information Officer shall notify the requester to pay as a deposit the prescribed portion of the access fee which would be payable if the request is granted.

The Information Officer shall withhold a record until the requester has paid the fee or fees as indicated. A requester whose request for access to a record has been granted, must pay an access fee for reproduction and for search and preparation, and for any time reasonably required in excess of the prescribed hours to search for and prepare the record for disclosure including making arrangements to make it available in the request form. If a deposit has been paid in respect of a request for access, which is refused, then the Information Officer shall repay the deposit to the requester.

Payment details can be obtained from the relevant Information Officer (as per paragraph 2 above). Payment can be made either via a direct deposit, by bank guaranteed cheque or by postal order (no credit card payments are accepted). Proof of payment must be supplied.

5.8. THIRD PARTY INFORMATION

If access is requested to a record that contains information about a third party, JHIR is obliged to attempt to contact this third party to inform them of the request. This enables the third party the opportunity of responding by either consenting to the access or by providing reasons why the access should be denied.

In the event of the third party furnishing reasons for the support of denial of access, our designated contact person will consider these reasons in determining whether access should be granted, or not.

5.9. GROUNDS FOR REFUSAL

JHIR may legitimately refuse to grant access to a requested record that falls within a certain category. Grounds on which JHIR may refuse access include:

- Disclosure of the record (containing trade secrets, commercial, scientific, technical or any other confidential information) would harm the commercial or financial interests of JHIR.
- The record is privileged from production in legal proceedings, unless the legal privilege has been waived.
- Protecting personal information that JHIR holds about a third person (who is a natural person), including a deceased person, from unreasonable disclosure.
- Protecting commercial information that JHIR holds about a third party or Landlord (client) (for example trade secrets: financial, commercial, scientific or technical information that may harm the commercial or financial interests of the organisation or the third party).

5.11. REMEDIES AVAILABLE WHEN A REQUEST IS REFUSED

- Internal Remedies

JHIR does not have internal appeal procedures. The decision made by the Information Officer is final. Requesters will have to exercise such external remedies at their disposal if the request for information is refused, and the requestor is not satisfied with the answer supplied by the Information Officer.

- External Remedies

- A requestor that is dissatisfied with the Information Officer's refusal to disclose information, may within 30 (thirty) days of notification of the decision, may apply to a Court for relief.
- A third party dissatisfied with the Information Officer's decision to grant a request for information, may within 30 (thirty) days of notification of the decision, apply to a Court for relief.
